

HOPE *for*

Addiction_{UK}

New Year, New Additions!

We've had an exciting start to 2025...

- A new arrival
- A new Women's Worker
- A new initiative
- A new building

A New Arrival!

Terry & Charlene were delighted to welcome baby Grace Faith McCutcheon to the family. A wee girl to add to the four boys!

A New Women's Worker!

We welcomed Fiona Oliphant to the team in January 2025. Fiona joins Nicki in supporting women in their recovery journey. Together, they are focused on building upon the positive progress already made with women in Glasgow and beyond. Please keep Fiona in your prayers as she settles into her new role and finishes off her studies at Cornhill. [Click here to read Fiona's bio.](#)

ROAD TO RECOVERY CAFE

HOPE for
Addiction^{uk}

February saw the start of a new initiative at Hope for Addiction UK. Every Wednesday we open our doors for an afternoon Road to Recovery Cafe and support meeting. This offers a welcoming space where people can enjoy refreshments, participate in various recreational activities, and attend a recovery meeting. The response has been very encouraging, with many individuals making use of this supportive environment.

With the opening of the first 'Safe' consumption room in Glasgow, please read our thoughts on the issue [here](#).

Please pray for us as we are in the process of looking at new premises - something more fit for purpose and able to meet our growing needs.

Stewardship 

We are deeply grateful for the generosity of the many Hope Partners who have supported us over the years. If you would like to donate specifically to our building fund you can contribute via the Stewardship link above, or simply email us at info@hopeforaddiction.uk.

With every blessing,

From all of us at Hope for Addiction UK.
